

JBHS 2022 BOOSTER CLUB

SUPPORTING PROJECT GRADUATION 2022

Project Graduation is a commitment by JBHS families, friends, and local businesses to provide a safe, alcohol-free and drug-free celebration for our sons and daughters on their graduation night.

This special event is funded by a booster club membership fee (one per student), fundraising and donations. In addition to an amazing Project Graduation party, everyone will get prizes. The more money we have, the better & bigger the prizes.

We hope to raise over \$50,000, so that all of the 2022 JBHS graduates will want to attend.
